

Love is Sweet

Bridal Shower Printable Kit

Welcome!

I'm so glad you're here.

I created this editable Canva template kit to help you bring together a beautiful, stress-free bridal shower—without getting caught up in all the little details.

Inside, you'll find invitations, signs, dessert cards, and planning pages you can personalize, download, and print—so you can enjoy the day and not just plan it.

How it Works

Steps:

1. Click any link above
2. Select **"Use Template"** in Canva
3. Edit the text (names, date, location, etc.)
4. Download your design as a PDF
5. Print at home or at your local print shop

Printing Tips

- Use cardstock for best results
- Set printer to **high quality print settings**
- Trim along edges for a clean finish
- For folded cards, print and fold at center

Helpful Notes

- You can edit these templates on desktop or mobile
- No design experience needed
- Canva is free and easy to use

A Little Note

This kit was created to make your celebration easier, more beautiful, and a little more cozy.
